

Minnetonka Power Squadron 2007-2008 Watch Year Goals

Education –

1. Increase the number of graduates of our public boating classes.
2. Increase the percent of members taking advanced grades and elective courses.
3. Increase the percent of members who have taken Seamanship.

To accomplish this we will advertise and use ideas from the PR department team and the executive committee, and members.

Civic –

1. 100% increase in participation in community parades.
2. Increase the percentage of Vessel Safety checks to members.
3. Increase the percentage of Vessel Examiners.
4. Increase Vessel Safety checks 10%.

Fraternal –

1. Increase the camaraderie among members and participation.
2. Increase squadron communication among members – getting information to all members, keeping track of all squadron inventory.
3. Make general membership meetings more desirable and increase attendance.
4. Continue the ongoing actions of building member relations and of treating all members in a friendly and welcoming manner.
