To: Sheboygan Power Squadron Report to 2007 D/10 Fall Conference

The Sheboygan Squadron was not too active this past year as my health was not good.

We did hold two Spring Boat Smart Courses; we attended the Spring D/10 Conference, and the D/10 Rendezvous at Red Wing; put out Safety Packets and did Vessel Safety Checks for Safe Boating Week.

We did attend a Rendezvous with Milwaukee and Oshkosh's Squadrons.

We do not plan to offer a fall Boating Course. Nor have we planned which Boating Course to give next spring as of yet.

Cdr Lyle E. Peschke, P
