**Lt/C Claudia Berry Miran, P, Secretary**  
**Lt/C Frank Washa, S, Treasurer**  
**Lt John Kidwell, P, Member at Large**  
**Lt Gunnar Malm, P, Member at Large**

## Report to D10 Spring Conference 2007

The Madison Sail and Power Squadron has a full calendar for the upcoming year. We just finished Advanced Piloting with 14 members taking the exam. We have two Boat Smart courses going at present. Our education department is expecting to conduct many other courses.

We expect to have 6-7 boats going up the Mississippi to Redwing for the D10 Summer Rendezvous. A cruise to Quad cities from Dubuque is also planned for September.

We are venturing into new waters with a program called Fishing Has No Boundaries. We are in the planning stages to put boats and fishermen on the water to help the underprivileged and handicapped have a day of fishing. This program is in its thirteenth year in Madison. We also plan to teach a boating safety class to the Cub Scouts again.

We continue our efforts to start a new squadron in Dubuque. American Marine, American Lady and Cat Fish Charlie's have been very supportive with their generous donations and help. We believe that educational waiver will help this venture.

One of our big efforts is the Fall Conference at Chula Vista in the Wisconsin Dells area. This is a great venue so I suggest you contact your members so that they don't miss out. So from me, Sheriff Stone and my Posse, we urge you to join us for a 'rootin tootin' good time.

Cdr Jack Stone
