2007-2008 District Treasurer Goals:

- 1. Complete a proposal to the Council & Conference to simplify dues structure to (2) categories similar to the National proposal.**
- 2. Work with District PRO to sell advertising space in D10 Communicator to help shift increasing income requirements off the backs of membership.**
- 3. Provide “world class service” to Bridge and Squadron Treasurers on processing of reimbursements, communications and reports.**
- 4. End my three year tenure as treasurer having left the District in much better financial shape than when I found it.**
