

June 19th – 21st, 2009

District 10, 2009 Summer Rendezvous

The Village of Winneconne is located on the beautiful Wolf River, bounded on the north by Lakes Winneconne and Poygan, and on the south by Lake Butte des Morts. The village is only 10 miles from Oshkosh, 45 miles south of Green Bay, 90 miles north of Milwaukee, and is located in the heart of Wisconsin's vacation land. Due to the success of the previous rendezvous here in 2005, the District Bridge plans on expanding the theme of affordable, fun for all the family, and boating activities.

The Friday night event will be an "Over the Transom" cookout competition, where each squadron will prepare their own favorite fare in the tailgating theme. The food will be judged by an impartial, but hungry, group of judges. You will need to bring your own means of cooking and food for this event, but bring enough to share. Prizes may or may not be awarded.

On Saturday we will have activities for members and guests, young and old, and this will probably involve some of you getting wet (note: car keys should not be in your pocket during any of these events!). Concurrent with the activities there will be BOC training for those wishing to complete their certification. We will be serving lunch, followed by more activities on the water, and in the evening there will be an event we like to call "Theatre in the Park". Hot Dogs, Popcorn, and Soda will be provided.

Bring tailgating equipment, chairs, and food, along with boats, water toys, swimsuits, and fishing equipment, to enjoy this wonderful weekend rendezvous. The park has a picnic area and facilities for boating, swimming, fishing, boat launching, and tie-up area, but no camping.

All the events will be held at the Lake Winneconne Park

- Friday registration begins at 5pm, with the cook-off at 7:30pm
- Saturday registration and activities begin at 10am
- Sunday breakfast 9am to noon.

Accommodations for the Summer Rendezvous June 19th – 21st 2009

The accommodations in Winneconne could best be described as rustic, but they are clean and comfortable. There are various units, cottages, and rooms available, and they are easily within walking distance of the park and local shops. Some other options would be to stay on your boat in the park for \$10 a night, or arrange to camp out in one of the Oshkosh Power Squadron member's yards.
