## District 10 Summer Rendezvous

Oshkosh Power Squadron & Appleton Yacht Club

### Historic Fox River Locks Run

July 14<sup>th</sup> -16<sup>th</sup>

*Serving Boaters Since 1932*

**APPLETON  
YACHT CLUB**

## Information and Agenda

**Friday July 14: Launch at Lutz park (adjacent to AYC) 12:00 - 5:00 Tie-ups available at Appleton Yacht Club, 1200 Lutz Drive, Appleton, WI 54914.**

**Friday dinner: Pullmans, 619 S. Olde Oneida St. Appleton. Reservation for 1830. For those wishing to go to Pullmans by boat, we will depart the AYC @ 1740 for Appleton Lock 1 for an 1800 lock through to dock near restaurant. Note that there is no boat tie-up at the restaurant so it will require a brisk walk after docking to get there. Pullmans also is a trolley stop for downtown Appleton.**

**Saturday July 15<sup>th</sup>:**

**0700 - 0930 early morning or last minute launching at Lutz Park ramp.**

**0800 - 0930: Breakfast at AYC**

**0940: depart for Appleton Lock #1**

**1000: lock through Appleton #1**

**1030: lock through Appleton #2**

**1100: lock through Appleton #3**

**1130: lock through Appleton #4**

**1215: lock through Cedar**

**1245: lock through Little Chute**

**1315: Lock through Combined Locks**

**1400: Arrive Kaukauna Raft Party/lunch. Build you own sandwiches; cold cuts, fixings and a selection of chips and fruit will be provided along with water. BYOB and any appetizers that you would like to share during the trip down and back.**

**1530: Depart Kaukauna for Combined Locks**

**1600: Lock through Combined Locks**

**1630: lock through Little Chute**

**1700: lock through Cedar**

**1745: lock through Appleton #4**

**1815: lock through Appleton #3**

**1840: lock through Appleton #2**

**1900: lock through Appleton #1**

**1930: Bar-B-Q at AYC**

**Brats & Burgers w/potato salad, garden salad, corn on the cob and brownies for dessert**

**DJ & dancing on the deck until 2200**

**The Fox River Navigation System Authority (FRNSA) has donated the lock passes for this weekend, but they would welcome donations as a daily pass for a boat under 26' is only \$6.00 a day.**

**On Saturday AM we will have an overview presentation of the lock system and charts for review before we depart. Chart books are available for purchase and proceeds go to the navigational buoys and signage. In addition, we will review safety considerations for those not familiar with boating around locks and dams.**

**We will also be holding a contest highlighting the history of the lock system, river and the surrounding communities that we will pass through. A variety of prizes will be awarded to the participants at the barbeque and dance. A commemorative tee-shirt will be given to everyone that participates in the weekend festivities.**

**On Sunday morning, we'll offer a continental breakfast and discussion of proper wash down of boats and trailers to prevent the spread of any aquatic hitchhikers or invasive species.**

**Because we will be based at the Appleton Yacht Club you can stay at any of the hotels in and around Appleton. The hotels downtown are more highly rated than on the outskirts of town and therefore more expensive. There will be room to leave your boat trailer on the AYC grounds if you want to launch Friday afternoon. If want to stay overnight at the hotel with a trailer then you will need one outside the downtown area.**

**Another option would be to stay on your boat at the AYC. You would not have access to the club overnight, but there are shower/toilet facilities at the marina available 24/7, a \$5.00 key deposit is required.**
