District 10 D10 Communicator

Volume 17 Issue 3

October 2021

D/C Kevin Wehrmann, S

Ahoy There District 10,

Welcome to the third edition of the 2021/ 2022 Watch year **D10 Communicator**. On behalf of the District Bridge and all the committees of D10 I would like to welcome you to another eventful year with **America's Boating Club!** First off, I would like to invite you to the Fall Conference on November 5-6-7. The St. Paul Squadron has been working hard to make this conference a FUN and SAFE in person event! We have some great stuff coming your way! Please join us for an Educational Seminar on Partner in Command, a workshop discussing the possibilities of Regionalization, Chaos water Park, Introduction to the new District 10 Website, the 50/50, Kris Harmon's Bizarre Bazaar, an Educational seminar – Using GPS. Awards and Recognition – The Prince Henry

Award, The Sea Award a First and Second Place MIRA Award Presentation and much, much more. This will be my first live gathering of a D10 conference, remember the last two were virtual although they were very informative, they weren't LIVE! Check out the Agenda and the Hotel Deadline information in this issue of the Communicator, Hope to see you there!

During the last three years of serving at the district level I have come to realize and fully appreciate how much of an impact we make in our community and its surroundings, Thank you for your service, time and enthusiastic energy!

[Report from the Governing Board in Raleigh N.C.](#)

District Challenges..... The topic of Regionalization

For decades, Districts have served a vital purpose as a communications conduit to squadrons, provided social interaction and networking, and presented opportunities for member and squadron engagement. Now, however we have email, phone and the web for direct communication with members. Additionally, while our organizational structure was configured and implemented when we were 80K strong, now we have just over 20K members.

Currently, many districts face challenges including the inability to fill bridge positions, a lack of attendance at district meetings and events, non-committal participation by squadrons, the continued burden of reporting and other administrative responsibilities, and insufficient resources to help weak squadrons with education and social activities. Costs - both districts and personal – often are major considerations and sometimes limitations. While not every district has these problems, many or most admit they do.

Obviously, not all districts are alike. Some are struggling just to survive and cannot meet the needs of their members and squadrons. Only a very few are large, well organized, and resource-sufficient. The majority are somewhere in the middle on a slow multi-year decline of members and squadrons.

Even for those that believe that they are successful, the outcomes do not support that conclusion. Membership continues to decline, education continues to wane, and squadrons continue to fail.

Continued on page 3

The idea of Regionalization is to consolidate resources and enhance collaboration in order to remain a viable boating and educational organization. As we have done within our district with the hard work of the Task Force the last two years. The idea is a leaner structure with 6-7 Regions would strengthen the organization in line with the current overall membership. Consolidation increases the critical mass required for strong leadership, volunteer resources, and funding with regional membership of thousands.

On a national level:

88% of squadrons have less than 25 members

52% of squadrons did not teach an educational course

From a District 10 perspective we are currently weighing out our options, so far since the Governing Board meeting in August we have had discussions at the most recent commander's meeting, the D10 Planning Committee is currently working on an outline to report on at the Fall Conference meeting. We would like your input, please join myself and Jim Pahl-Washa at the Conference in Eau Claire to discuss Regionalization in an ad-hoc Workshop from 8:00-9:15 prior to the Conference meeting. We should have more information from National at that time.

Article 21 Defeated

On the agenda at the National Governing Board meeting was a hot topic concerning the distribution of assets after termination. In the event of the dissolution and voluntary surrender or revocation of a squadron charter, all assets then belonging to the squadron shall be assigned to the USPS. This agenda item up for vote at the meeting was almost unanimously voted down by a vote of 204 to 4. I would like to thank all those members from District 10 providing support and lots of time and effort in defeating this proposal. A big round of applause to Commander Kevin Shutes of Minnetonka for spearheading, and bringing awareness to hundreds of members and District Commanders across the country with his well written statements against article 21. I also want to thank Greg Korstad representing the Law Committee for steering me in the right direction. I also want to thank Ben Coons, Jennine Fine, Dave Fine, Maury Rice and the rest of the District Council for supporting our vote of "Nay".

Summer Rendezvous

Finally, I want to send a huge Thank You to Commander Amy Herstad-Einbu and Chad Lowney past Commander of Duluth for hosting the Summer Rendezvous over the Labor Day weekend. We had a great time including a Boston Whaler tour of Allouez Bay, the Duluth Harbor and the Lift Bridge! I should mention that the food on Sunday night during the Corn Roast was absolutely outstanding!! In case you missed it, it was a catered meal that included barbecued chicken, ribs, brisket, baked beans and of course Corn on the Cob! Just so you know the Corn Roast at the Duluth squadron is always open and welcome to members of District 10, I'll definitely be back in Duluth next year!

See you at the Fall Conference in Eau Claire!

Remember with a Boat and a Little Imagination We Can Go Anywhere!

D/C Kevin Wehrmann, S

District Executive Department

In many ways autumn is my favorite season. Crisp clear days, the vibrant colors of turning leaves, and the strong cool breezes and low humidity that make boating at this time of year very special. These things are, of course, tempered by the slow and inexorable shortening of the daylight hours meaning the perceived need to be at anchor or in a marina slip creeps in ever earlier. I do find, though, that as the boating season comes to an end that there are many things boating related that present themselves to fill the months until we once again return to the water. A couple of big ones coming up are the fall conference and the return to boating classes. Not to mention that squadron civic duties are a continual thing. COOP Charting is starting to take off again and is a good way to get outdoors and stay socially distanced! VSC's have been great this year. Let's get those last few boats in before the snowflakes start falling. We want the guys out East to continually look our way and wonder how the heck we are doing it over here!

From VSC's, COOP Charting, and an awesome Rendezvous hosted by Duluth and despite of it all during a pandemic, it has been a safe and action-packed summer! After observing a lot of new boaters this year, I think as ambassadors of the water it is our duty to help and assist our new friends in safety on the water.

Remember to welcome your friends aboard and keep your guests safe.

"The safety of the people shall be the highest law." - Marcus Tullius Cicero

District Educational Department

Greetings:

Once again, another boating season is starting to wind down. COVID-19 was not able to stop many of us from getting out and social distancing on the water. I wish all of you a successful rest of the season and a safe end to 2021.

Looking to see you at the D-10 Fall Conference

Please consider your need to join us for our Fall Conference. This has traditionally been our educational event where we reflect and celebrate accomplishments. We will emphasize and recognize many completions. Your Educational department is compiling the stats of the recently completed educational year (1 July, 2020 – 30 June, 2021). There will be presentations of the Prince Henry and SEA awards.

The Educational department workshop will be virtual and conducted prior to the weekend's conference. All interested D-10 members, instructors, and educational interested individuals are welcome to join our D-10 SEOs in a spirited discussion. Our ADEO Dennis Schultz will summarize the first year of the D-10 virtual education program. I will provide a brief update of the recently completed Fall Governing Board Educational department workshop.

Your bridge has been very busy in planning seminars throughout the weekend. Please check your needs and register for these events. We will offer two USPS seminars: Partner in Command and Using GPS. Additional presentations will be D-10 focused.

You will also want to understand our transition to a new D-10 website. Come one! Come all! Please review our agenda and join us for a fun filled weekend of education and social interaction.

BOC Boat Operator Certification Event

Due to COVID-19 situation the BOC event which was scheduled for July 2021 will be rescheduled for next year in late July 2022. It is anticipated that this event will take place in Sturgeon Bay, Wisconsin. Now is the time for you to evaluate your needs in moving forward with BOC rating levels.

MEMBERSHIP IS JOB 1

America's Boating club is growing! Our membership retention rate is up to 91.4% which is the best in 5 years! Thank you all for your efforts. Work still remains to build membership but keep up your good work in retaining members.

D/Lt/C Suzanne Carman, S

Our membership goal of 100 new members has been met. At this time, we have 139 new members in District 10.

I am very pleased to announce how well District 10 did this year with the MIRA awards. First place went to Duluth and second place went to Minnetonka! I would like to thank those who submitted a MIRA application this year. Honorable mention goes out to Madison, Central Wisconsin, and Oshkosh. This is a great membership retention tool. We were able to exceed our goal for this year. I appreciate your efforts.

A great big thank you goes out to the Duluth Sail and Power Squadron for hosting the Corn Roast/ D10 Rendezvous on Labor Day weekend. It was a fantastic weekend filled with fellowship, great food, fun activities, music, and great weather. Many people were in attendance for their mid-day dinghy run on Lake Superior and they were able to accommodate guests, family members, and many people from other squadrons. Thank you for attending!

The *Ensign* magazine has moved to electronic distribution. Log onto the national website to read this publication.

District Administrative Department

During the watch year I have been receiving squadron non-renewal lists from our national administrative officer V/C Ralph A. Bernard, AP. Using this information, I contacted squadrons involved asking them to get in touch with the members on their list in an effort to have them renew. Thank you all for following up with all members.

I would like to remind all admin officers to attend our District 10 Admin workshop virtually on Wednesday, November 3rd at 7:00 P.M. At this workshop I would like every squadron to share their best membership retention technique. We can all learn from one and other! I look forward seeing and speaking with everyone at that time.

Be sure to sign up for the Fall Conference which will be held this November 5-7. This event is hosted by the St. Paul Squadron. It will be held at the beautiful Metropolis Resort & Conference Center in Eau Claire, Wisconsin. I am looking forward to seeing you all there.

Thank you,
D/Lt/C Suzanne Carman, S
District Administration Officer

District Treasurer

Ahoy from the D-10 Treasurer's Department,

I hope everyone is enjoying the beautiful fall colors. I love the variety and the changing seasons as I believe it keeps us appreciating the time we have in each.

With the fall season comes new opportunities along with the Fall Conference on November 5-7, 2021, in Eau Claire, Wisconsin. I do plan to attend the conference and look forward to seeing everyone from the district join together. I also look forward to meeting with the treasurers from all of the district squadrons.

The District 10 Bridge works hard to follow the budget and is fiscally responsible to keep our fiscal position solid and our budgets balanced. The District 10 Bridge is currently working on the next fiscal year's budget, which will be presented at the Fall Conference.

We are not planning on an increase in District Dues from the current \$19/year for Primary Active Members and \$26/year for Family Membership.

D/Lt/C Tracy Anne Gustafson, AP

The Budget for the next watch year is presented at the Fall Conference -

Overview of the Annual Budget Approval Process:

1. The Bridge & the Budget and Finance Committee work together with the Treasurer to propose a Budget for the coming year.
2. The Bridge & the Budget and Finance Committee review the proposed budget and make a recommendation to approve or revise based on available funds.
3. The Bridge reviews the Committee's recommendations and makes changes if required.
4. The council reviews/discusses and approves or disapproves the proposed Budget prior to the Fall Conference.
5. The Conference delegation reviews/discusses and approves or disapproves the proposed Budget at the Fall Conference.

Please feel free to contact me with any questions. I look forward to seeing you all soon – Enjoy Fall !!

Respectfully Submitted,

D/LT/C Tracy Gustafson, AP - IN

Greetings:

What a great summer we had in the Fine Household. It was nice to be able to be on the lake and be able to see everyone again. Now it is Fall and my nest is empty and quiet except for hearing Dave conference calling when he works from home occasionally.

Dave and I were able to go to Duluth for their annual Corn Roast as they invited D10 members which was our 2021 Summer Rendezvous. What a fun weekend. We were able to participate in their "Dinghy Run" around the harbor and out in Lake Superior, their Corn Roast Dinner, and be able to watch two great band performances. I must say Duluth has a great spot for members to gather with Boats, RVs, and the like. Here is a link to the YouTube Video for you to enjoy:

http://www.youtube.com/watch?v=7pnETPpkhzw&ab_channel=InnovativeMediaCreative

Most recently, Webmaster P/C Leo Loeb, SN, sent a couple of eBlasts to all D10 Members. Hoping you were able to view them.

The first eBlast contained links to the 2021 Fall Conference Invitation, Call to Meeting, Hotel information, and the Conference week agenda. Please go back and view them if you haven't already. This blast was sent on September 21, 2021.

The second eBlast contained a link to Educational Opportunities offered by the Minnetonka Power Squadron. Courses offered, both in person and virtually, are Marine Navigation (aka Piloting) and Boat Handling (aka Seamanship). This blast was sent on September 30, 2021.

Looking forward to seeing everyone again at the 2021 Fall Conference. Have a wonderful Fall. Remember because of you, the members of D10, our organization remains a success.

"Homecoming" Events

Friday Night

Homecoming!

The evening begins with a cash bar from 6:00 to 7:00 and the chance to catch up with old friends and meet new fellow boaters as District 10 gathers in person for the first time in 18 months. 7:00 brings a tailgater-type buffet, followed by unstructured time to talk, swim, play - whatever!

Saturday

District 10 Business & Opportunities to Grow

The District 10 Fall Conference Meeting will take place from 9:30 to 11:30.

A buffet-style soup-salad-breadstick lunch will be available from 12:00 to 1:00.

Seminars and workshops will be in session both before the Conference Meeting and during the afternoon. All attendees are encouraged to participate in these opportunities to broaden your horizons and enrich your squadrons.

At 5:30, a virtual message from Chief Commander Mary Paige Abbot will be shown.

Sunday Morning

Before You Go . . .

Participate in the now traditional Sunday morning Breakfast with the Bridge - to talk about the Conference, to ask questions, to share your thoughts about ABC and District 10.

Finish the morning with one more seminar or the new, informal roundtable to share boating tips, tricks, adventures and more!

Saturday Night

Celebration, Recognition & Friendly Competition?

Again, the evening begins with a cash bar from 5:30 to 6:30. The Dakota Kid will be playing country and classic rock music, and you will have one last opportunity to bid on the Silent Auction Items, contribute to the 50/50 Enrichment Fund Fundraiser and do some early holiday shopping at the Bizarre pre-Christmas Bazaar.

A dinner buffet will be served at 6:30, to be followed by a short recognition program.

By 8:00, we'll be enjoying more of the Dakota Kid and maybe even singing along. OR - You can head over to Action City to drive go-karts, play video games, try out the laser tag course and more! Rumor has it there might be a little organized friendly competition . . .

Bizarre pre-Christmas Bazaar

No idea what to get for your favorite uncle?

Remember those knobby yellow mugs from your niece? or the kangaroo-fur purse you aunt gave you after she went to Australia? that new 1000-piece puzzle you'll never get to? the wine glasses you bought but never used? We'll be offering great prices on items like these and others that have been sitting unused in our cupboards and closets.

Stop by! Take a look! Buy! You might find something that will be your cousin's heart's desire! [We will happily accept any contributions. Just bring them to the registration desk. Thanks!]

Proceeds will go toward Fall Conference costs or Toys for Tots. Receipts confirming your charitable contribution will be available upon request.
