PARTNER IN COMMAND

Presented by Milwaukee Sail & Power Squadron

This seminar provides an introduction to boating for crew members who need basic information and who may or may not have taken a boating course. It is designed to provide essential information one may require to assist a skipper in the safe operation of a recreational boat. Included in the seminar are actions in response to emergencies. This seminar includes a text (OPTIONAL). You will need your Captain's help in learning useful knots.

In approximately 2 hours, you will learn why and how about: Communications, Before you go, Safety & Safety Equipment, VHF Marine Radio, First Aid, Tool Kits, Signaling Equipment, Starting and Running the Engines, Calling for Help, and more.

Partner in Command also covers a lot you need to know about: At the Helm, Rules of the Road, Anchoring and Docking, Emergencies including: Medical, Stormy Conditions, Running Aground, Fouled Propeller, Injury or Illness, Collision, Taking on Water, Carbon Monoxide, and Crew Overboard.
